

SELF TAPING INSTRUCTIONS :

- Please learn the scenes for the appropriate role (JOSH/COLLIN/NATALIE)
- You do not need to memorize them but the more familiar you are, the better.
- Have someone read the other character's lines off camera.
- ***In addition to the scenes, please tape a short interview so we can get a sense of your wonderful personality. Talk about hobbies, likes, a funny story, etc.
- Start off with a full body shot and then zoom into a medium close up (chest up) and keep the camera stationary.
- Please make sure we can see your face and hear you clearly (it's best to have your main source of light behind the camera.)
- At the end please say your first and last name clearly or print your full name on a sheet of paper and hold it up to the camera so we can read it clearly.
- If you are a minor, please state your age and height after you say your name.
- Please do not put a certified delivery if using "yousendit".
- Please compress your movie to the smallest size possible.
- Please do not follow up with emails re:Receipt of the audition. Due to the volume of submissions we receive, we cannot individually answer everyone.
